

Project name: _____

Project location: _____

Contractor: _____

Product description : _____

Scope

This product submittal is for VERSAPIPE® HD100 PW high density polyethylene pipe for use in potable water and wastewater transport applications.

Certifications

VERSAPIPE® HD100 PW pipe is manufactured in accordance with ASTM D3350 for pipe sizes from 3/4 in to 10 in IPS, 1/2 in to 2 in SIDR and 4 in to 8 in DIPS. All pipe sizes meet the specifications and requirements of CSA B137.1, ANSI/AWWA 901/C906 and NSF 14/61 standards.

Materials

All VERSAPIPE® HD100 PW high density polyethylene pipe are manufactured from PE4710 high density polyethylene resin listed in the Plastics Pipe Institute (PPI) TR-4 listing and meeting the cell classification 445574, or equivalent, as per ASTM D3350. The raw material is filled with carbon black or blue UV additive, allowing the pipe to be stored outside.

Limited warranty summary

Versaprofiles Products Inc. (Hereafter Versaprofiles) warrants all of its pipe products for use in potable water and wastewater transport applications to be free from defect in material and workmanship from date of production at Versaprofiles manufacturing plant for a period of fifty (50) years. In the case Versaprofiles potable water pipe products fails to meet its specifications due to a defect on material or workmanship, Versaprofiles will offer a Limited Warranty strictly limited to the replacement of the potable water and wastewater failed pipe with an equivalent quantity of potable water and wastewater pipe of equal or better quality than the one originally purchased, AND the cost of reasonable direct labour charges provoked by the failure to the holder of the Limited Warranty for up to One Dollar (\$ 1.00) per linear foot of potable water and wastewater pipe to be removed and replaced. Purchaser shall make prompt inspection of goods upon reception and before installation. (See full Limited Warranty for complete terms, conditions and disclaimers.)

NOTES
